Protect Feet From Heat ▲

Valley Head, Ala.—Heronrib anti-slip matting has found another way to protect swimmers and sunbathers. Not only does it shed water, reducing slips and falls, but the UV-resistant vinyl mat does not absorb heat, making it a safe and comfortable place upon which to walk. For more information, call (256) 845 7725, or visit www.plastexmatting.com.
